

More than just a hunt...

**Prices** Effective Nov. 15, 2016

## Guided Hunts-

**Outpost Camp:** Hunt from a cabin or deluxe tent camp with electricity, shower, and heat. Very comfortable accommodations. All deluxe outpost camps employ the use of ATV/UTV/Jet Boat for transportation and hauling your trophies out. A true game changer in Alaskan hunting. We can effectively use ATVs or boat even on sheep hunts to gain more effective hunting time. Outpost camp hunts are in high demand and sell out quickly.

**Backpack/Float:** These are portable camps most are set with a Super Cub. Hunting is done on foot or using a raft for transportation. These hunts allow access to remote corners of our hunting areas where access is very limited. These are physically demanding hunts with excellent success rates. The amenities are fewer than our deluxe outpost hunts. If you are looking for a challenging adventure hunt into the most remote areas this is your hunt.

**Unguided DIY Hunts:** Booking with a hunting partner is required, no more than 4 hunters per camp. We don't mix groups and you will have plenty of area to hunt. All parties must be a US citizen. We offer two different styles of do-it-yourself hunts – a fixed spike camp with comfortable accommodations or an adventurous float trip. This hunt includes a complete tent camp, food, all cooking utensils/supplies and round trip transportation from Anchorage. You will fly into our Hartman Lodge, on most hunts, with an air charter service and be dropped off in Spike Camp or at the start point of your float via Super Cub. Available species in September are: moose, caribou, black bear, wolf and wolverine.

#### **The Spike Camp**

Our spike camps are fully outfitted and include everything you need for cooking, lodging, meat care, and trophy preparation. Camps are checked periodically during your hunt. All you need to bring is your personal hunting gear, sleeping bag and drive to fill your tags.

**2018-19 \$10,000.00 per hunter**

#### **The Float Trip**

This is essentially the same hunt available as a float hunt. Same dates. Camps will be lighter less comfortable due to needing to be more packable. Floats allow hunting more remote areas. The hunting is excellent and it's a great adventure.

**2018-19 \$10,000.00 per hunter**
