Guided Hunts- All Hunts start from our base at Hartman Lodge in the Alaska Range.

Outpost Camp: Hunt from a cabin or deluxe tent camp. Very comfortable accommodations. All outpost camps employ the use of ATV/UTV/Jet Boat for transportation and hauling your trophies out. A true game changer in Alaskan hunting. We can effectively use ATVs or boat even on sheep hunts to gain more effective hunting time. These hunts still require hunting on foot and may require using a spike camp particularly for sheep.

Backpack/Float: These are portable camps most are set with a Super Cub. All hunting is done on foot/backpack or using a raft for transportation. Backpack or float hunts allow access to remote corners of our hunting areas. These are physically demanding hunts with excellent success rates. The amenities are fewer than our outpost camp hunts. If you are looking for a challenging adventure into the most remote areas this is your hunt.
